polok.webdev@gmail.com

Dhaka, Bangladesh

<https://polokbanik.vercel.app>

SUMMARY

Self-driven Frontend Developer with a strong foundation in HTML, CSS, JavaScript, React.js, Next.js, and TypeScript. Experienced in building responsive and interactive web applications using Tailwind CSS and integrating APIs to deliver seamless user experiences. Currently pursuing a Diploma in Textile Engineering while strengthening frontend development skills through hands-on projects. Eager to contribute, learn, and grow through a frontend internship opportunity.

PROJECTS

Portfolio Website →

Developed a modern portfolio website featuring seamless **animations**, smooth user experience, reusable components and dynamic data rendering with Next.js, Tailwind CSS, and Framer Motion.
